I am Piyush Juneja, currently serving as the General Manager at Four Points by Sheraton Penticton. With over eight years of extensive experience in the hospitality industry, my career began with foundational training at Four Seasons Hotels & Resorts and progressively advanced through significant roles at prestigious establishments like Taj Hotels Resorts & Palaces and Ramada by Wyndham in Vancouver. In each position, I've focused on enhancing operational efficiencies, maximizing guest satisfaction, and driving revenue growth through strategic leadership and innovative policy development.

As a graduate of Capilano University with a Post Baccalaureate Diploma in Hotel and Resort Management and a Bachelor of Science in Hospitality and Hotel Administration from the Institute of Hotel Management in India, my academic background has solidified my expertise in the field. My commitment to the hospitality industry is not only reflected in my career progression but also recognized through multiple accolades such as Employee of the Month awards at both Ramada and Taj Rambagh Palace, and a special WOW Award at Four Seasons Hotel Mumbai.

Currently, as the General Manager at Four Points Sheraton Penticton, I am dedicated to steering the property towards unprecedented success, fostering a culture of excellence, and making a significant impact in the local tourism sector. My role involves not just managing day-to-day operations but also strategizing long-term goals, nurturing staff potential, and ensuring our services exceed the expectations of every guest. I am eager to bring this dedication and strategic vision to the Board of Directors for Travel Penticton, to contribute to the broader tourism and hospitality landscape of our vibrant community.
